

**COME AND DRINK IT®**

# ROSÉ

**REFRESHINGLY FRUITY AND DRY**

Real Texans drink Rosé. The perfect wine for outdoor cooking and partying under the Texas sun, our dry rose brings the juicy red fruit flavors from red grapes, that drinks crisp and refreshing like a white wine. Great for tailgating with Texas BBQ, Mexican food or any smoke and spice you want to throw at it, Come And Drink It Rosé is a crowd-pleaser that should always be in the cooler.

## **WINEMAKER'S TASTING NOTES:**

Light pink in the glass with bright, floral notes of fresh-cut cantaloupe that open up to juicy summer fruits of strawberry and watermelon. Refreshingly balanced with acidity and slight hints of citrus that really bring harmony and elegance to the juicy red fruit. Chuggable.
