

**COME AND DRINK IT<sup>®</sup>**

## **WHITE BLEND**

**CRISP AND FLORAL WITH CITRUS NOTES**

Come And Drink It White Blend is the epitome of a patio pouncer, that starts crisp and refreshing and lasts long after the sun has gone down in the West Texas sky. A perfect wine for coastal cuisine or just to drink while your toes are in the sand.

### **WINEMAKER'S TASTING NOTES**

While we typically work with warm climate varietals like Trebbiano and Viognier from the Texas High Plains to build our refreshing white blend, we have recently taken advantage of opportunities with (un-oaked) Chardonnay as a base.

In the glass we see bright, pale straw luminescence, notes of orchard fruits, mandarin and soft green apple that already give this blend more texture than its predecessor. Viognier brings floral notes while Pinot Grigio is seamed in for acidity and crispness that give way to aromatics of a hint of Riesling. So refreshing.

**ALC 12.8% 750 ML**
